Here at North High we like to do everything the best we can. All around our school are examples of this—the best sports team, the best teachers, the best clubs, and, of course, the best students! Since we do have the best of everything, we feel it is time that everyone knew about it. That's what this book is dedicated to—showing everyone who we are, and telling them about all of our different aspects. So, World, here is North High.

2.

3.

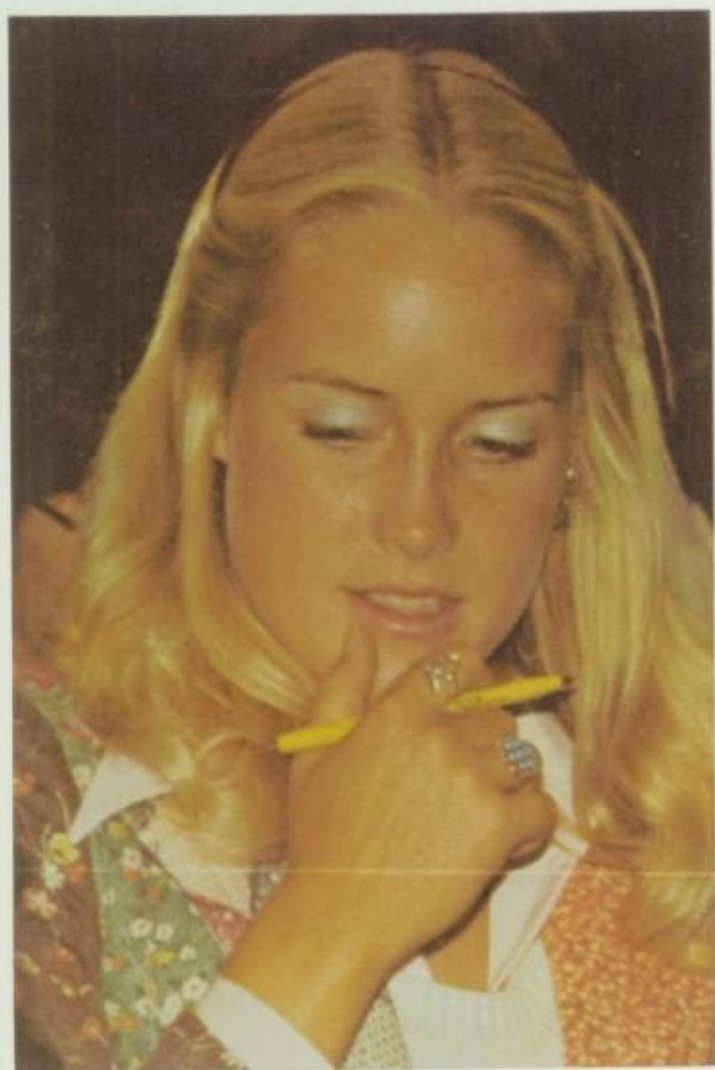

4.

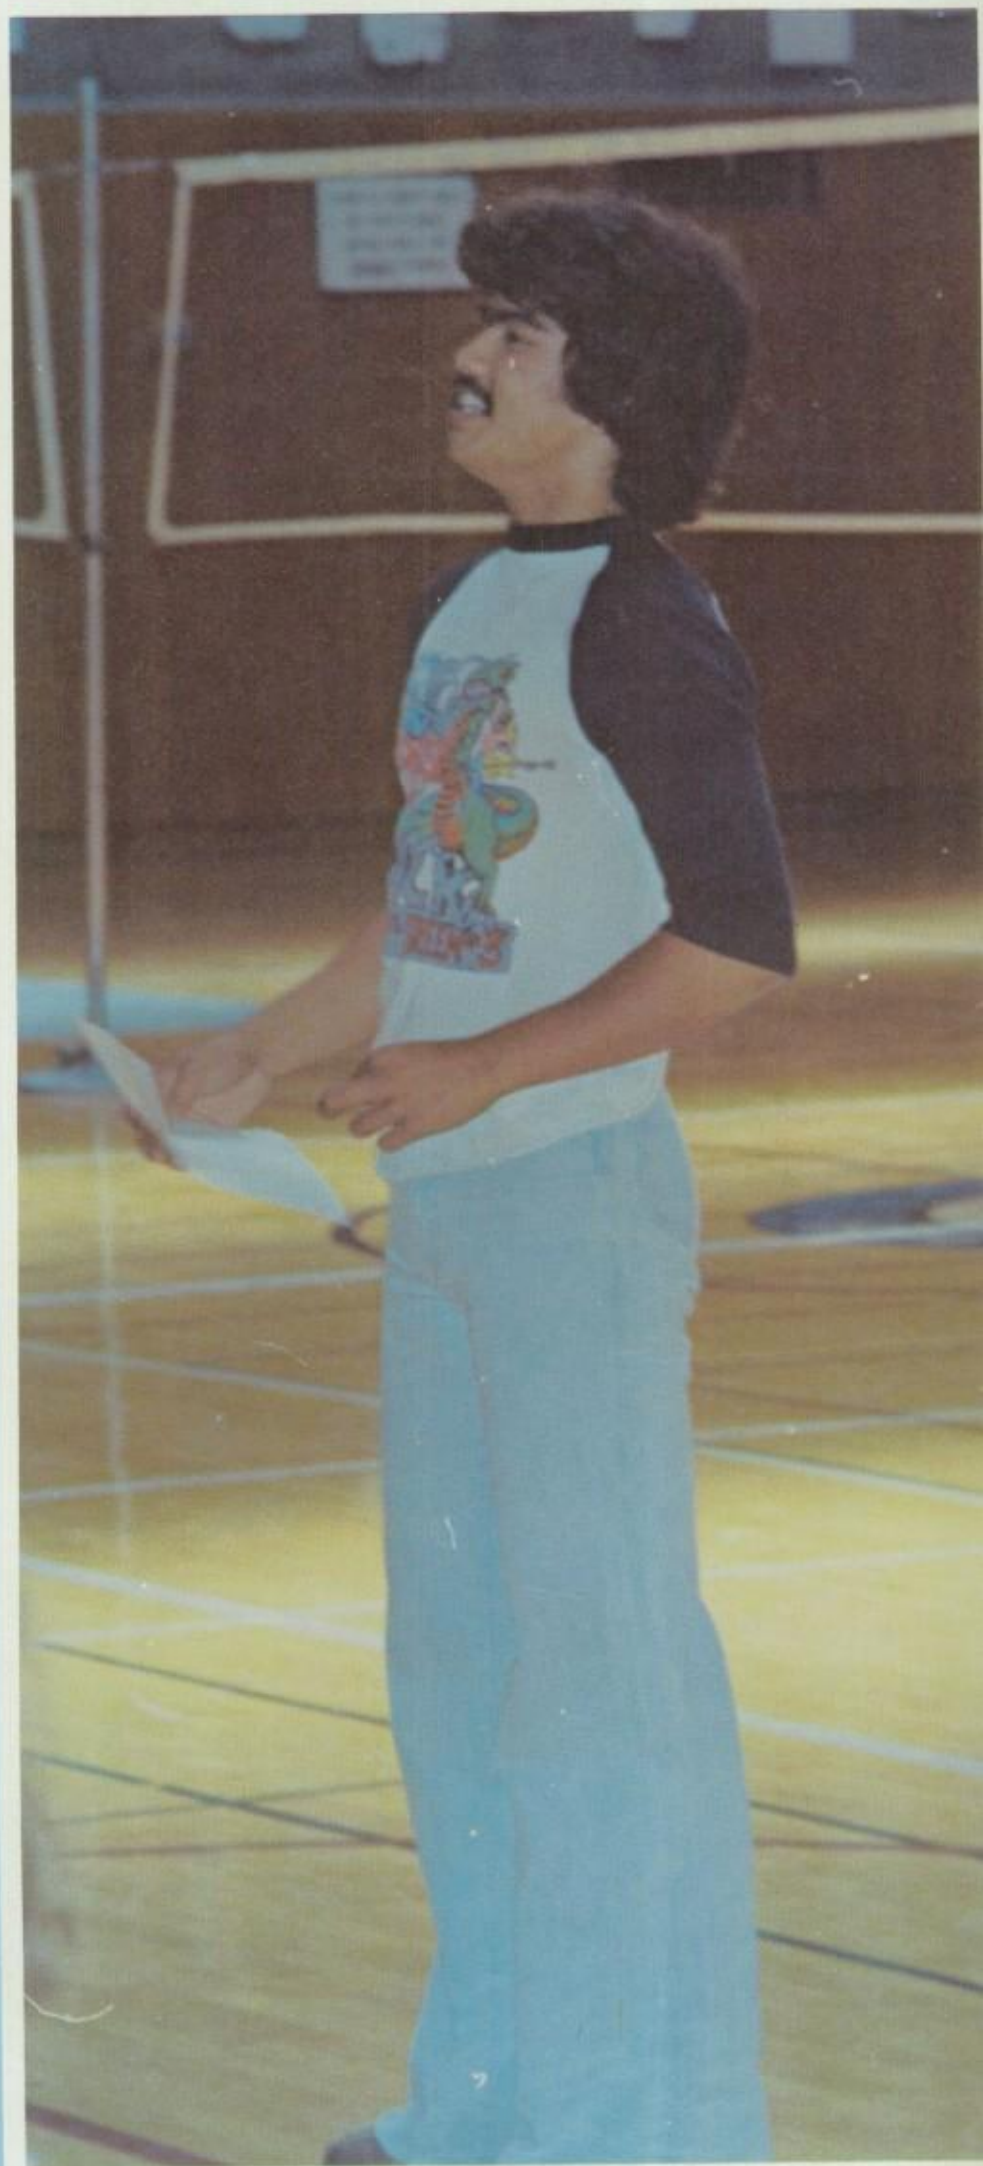

1. Danny Teresa and Coach Beguhl intensely watch the Varsity defense in action during the Jamboree. 2. North High fans show that they know we're #1! 3. Benny Vallejo takes a short break after performing in the Viking Band during halftime. 4. Sitting in the mall during lunch is a favorite pastime at North High.

GROWING...

1.

Seniors—the finished product of four years of hard work here at North High. They have experienced some good times and some bad times at school and will benefit from them all. They have grown as people during their stay here, and we should all be proud of them. We wish you the best of luck, graduating class of 1980.

3.

1. Listening intently to her friends, Jill McWilliams ponders what to say next. 2. Senior class president, Ernie Lee, gives a spirited talk to the "Class of '80". 3. Warren McLeod, Ron Garcia, and Kelly Cook sit and talk during hectic registration day. 4. Several seniors sit and listen to what their class officers have to say.

LEARNING...

1.

Underclassmen—the Seniors of tomorrow. They are the substance and the stronghold of the student body here at North Salinas High. They make many of the important contributions necessary to run our school successfully. Whether they are leading their class or supporting the football team, they are learning alot about themselves every day. They are truly dedicated and enthusiastic Vikings in every way.

3.

4.

5.

1. Debbie Bennett and Ilena Estrella hurry back from Carl's Jr. to avoid being tardy. 2. Freshman class president, Tony Valenzuela, gives his election speech to the class of '83. 3. The Junior Varsity football team listens to last minute instructions before taking the field. 4. Heidi Dunkle and Linda Osborn walk happily down the hall after finding out the teachers they'll have for the upcoming year. 5. Lucy Garcia and Shirley Millaris work diligently in the sophomore concession stand during the Jamboree.

TEACHING...

1.

Although teachers may not be the most popular people around campus, school would not be possible without them; and, we owe a great deal to them. They are really like guardian angels—caring for us academically and preparing us for the future. They are always willing to take a little extra time to talk to us and make sure everything is okay. We should never forget our teachers—their guidance will affect us for the rest of our lives.

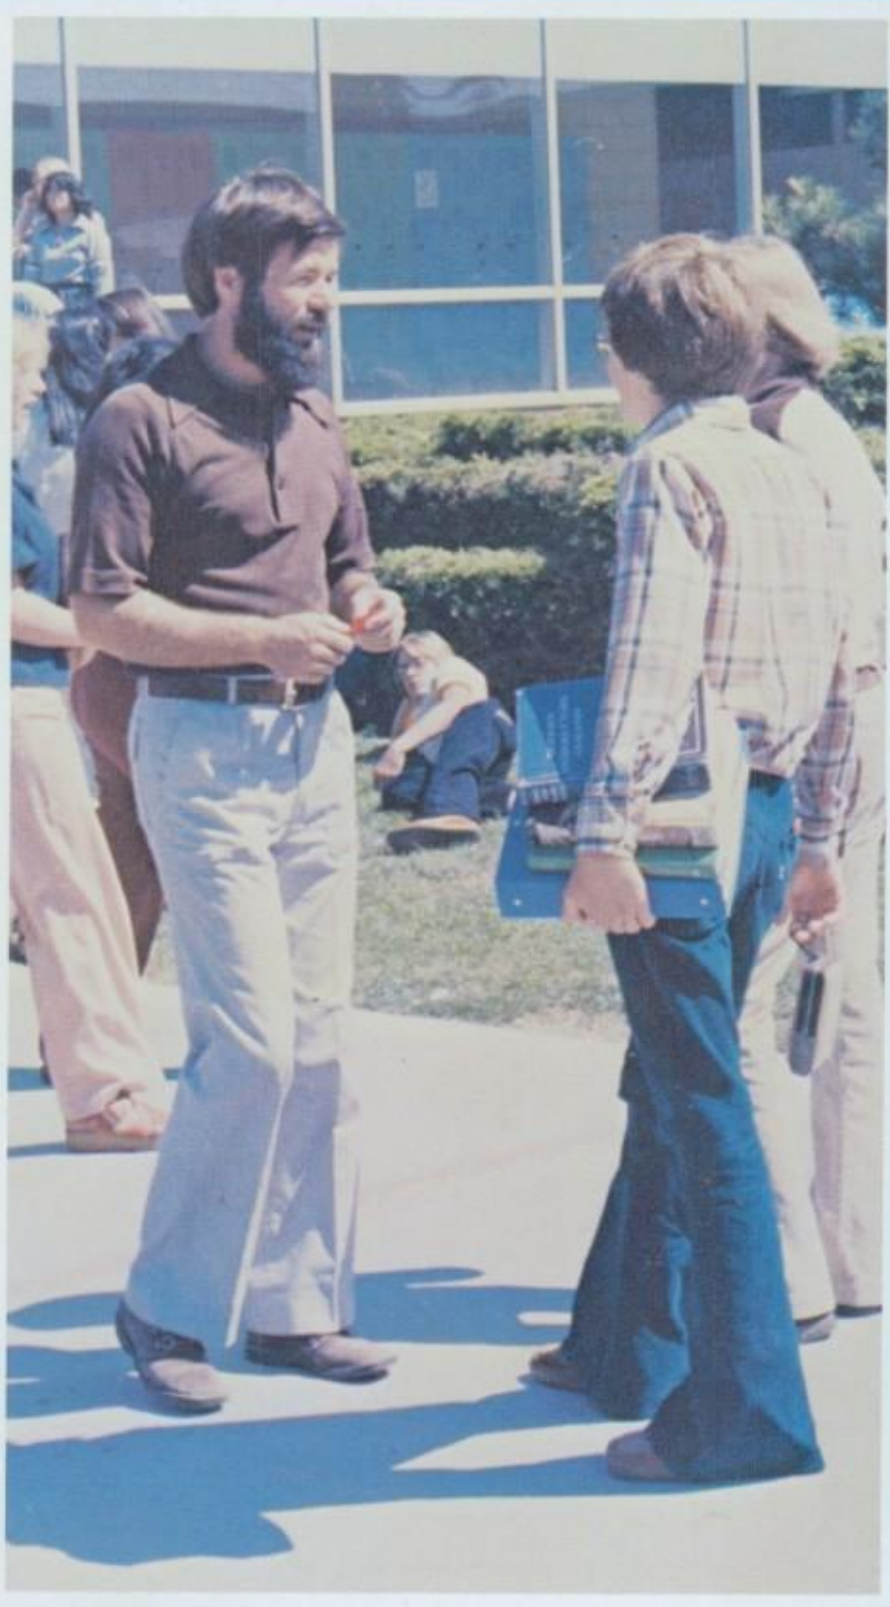

2.

3.

5.

4.

1. Mrs. Black and Patty Newman talk over a problem on registration day.
2. Mrs. Boyd and Mrs. Ferriera chat during the walk back from their coffee break. 3. Mrs. Flores and Mrs. Silveria gladly stand up after a strenuous and exhausting teacher's meeting. 4. Mr. Herrig discusses the day's homework assignment with Scott Helm. 5. Ms. Andreotti and Mrs. George hurry back to be in class before their students arrive!

COMPETING...

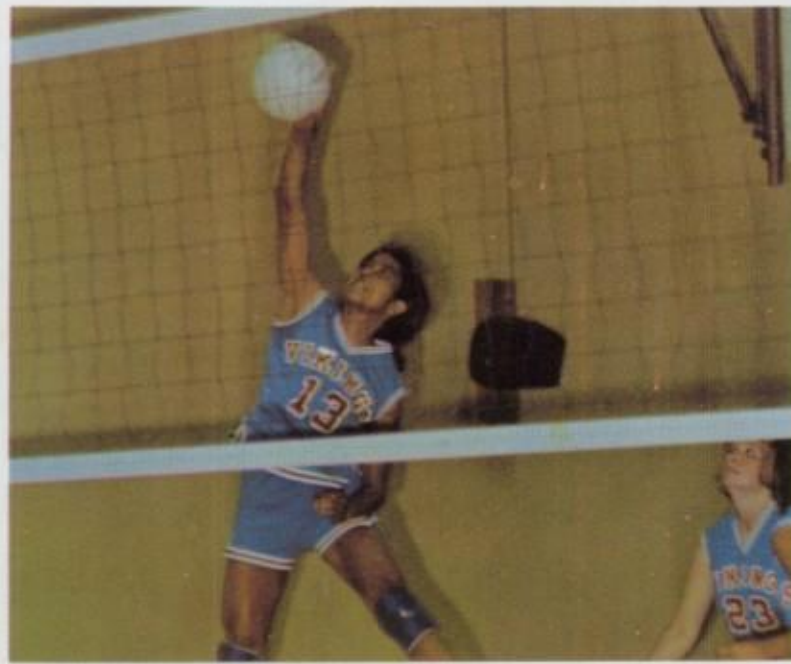

1.

Without a doubt, the biggest single factor around school is sports. Whether we're cheering for "The Blue Machine" from the grandstand or intensely watching an exciting tennis match, we know that North High will always be #1!

3.

4.

5.

1. Anthony Toney # 31, eludes the Alisal defender, while leading the Vikings to a win in the Jamboree. 2. Fans cheer on "The Blue Machine" during the Jamboree. 3. Donna Proximo smashes a serve during her match against Aptos. 4. Jackie Sison powers a spike during North High's match against Notre Dame. 5. Royce Clark shows what is obvious after the Jamboree—North High is # 1!

Uniting...

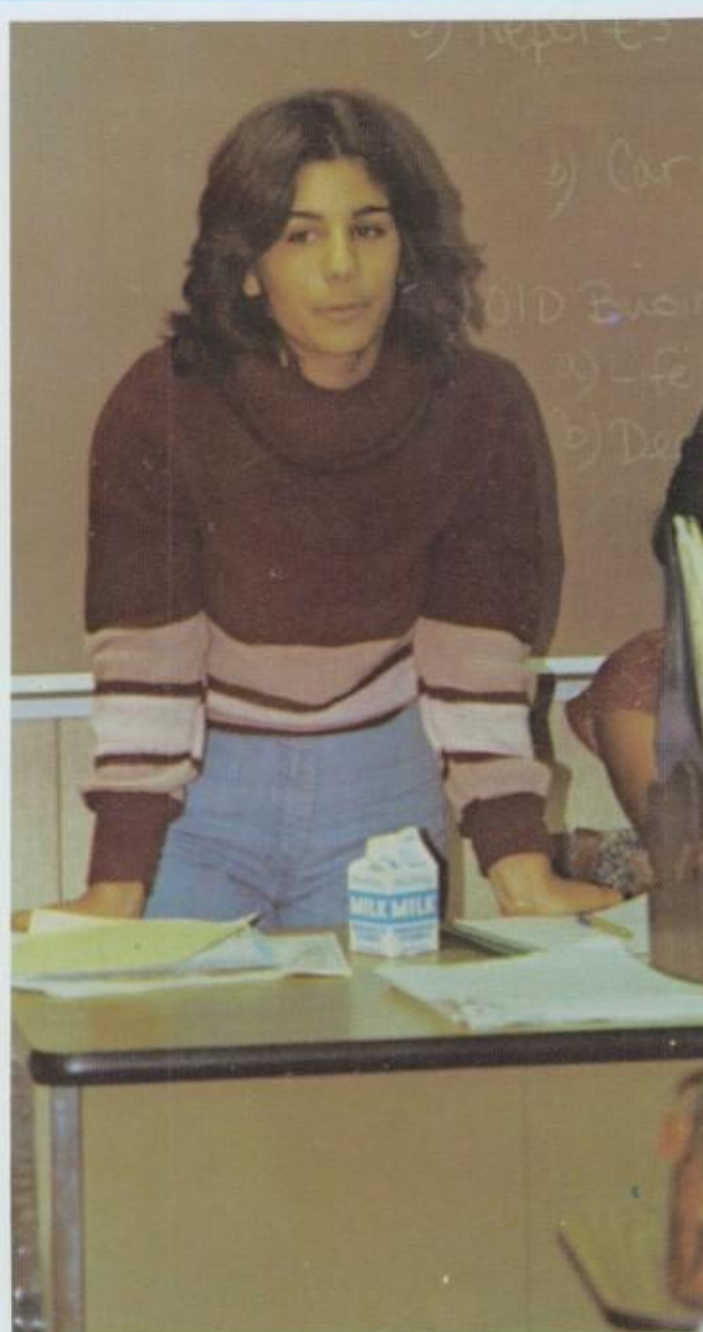

1.

As a sign of our togetherness here at North High, many clubs are formed each year. These clubs came in a large variety—from the colorful rifle corps to the readings of the drama department and the perennial AFS student. These organizations provide an outlet to individual interests and let people express themselves in any way they want to. They are one of the main reasons why North High has always been tightly bound together as a unit and will always continue to be in the future.

3.

4.

1. Carmen, Cheryl, Brenda, Susie, and Cindy, North High's pom pon girls, support their school at a lunchtime rally. 2. Two drama students recite during a lunch time performance. 3. AFS student, Martiza Lara Vega, greets North High's A.S.B. during the first assembly. 4. Marta Camacho, president of MGM/Ashland, gives a talk to her club about fund raisers. 5. Rifle Corps are a big part of the football halftime show.

5.

PARTICIPATING...

1.

2.

Spirit—a key word at North High. We have always prided ourselves in knowing that we have the most spirit of any school anywhere, and, we like to show that spirit in school activities. Whether it is a rally, a mall contest, an assembly, or half time at a football game, we always support each other and show our spirit in every way. We want to show everyone that North High is #1.

4.

5.

6.

1. North High's Showgirls, a new addition to the auxiliary corps, perform during the halftime show. 2. Debbie Taber and Sue Switzer, the football mascots, amuse the crowd with "their friends." 3. Norma Cleaveland shows her spirit by dressing up in an assembly. 4. Tammie Clark, Commissioner of Rallies, tries to get the crowd rowdy during an assembly. 5. Vickie Miyaoka roots for her team at a football game. 6. A popular activity during lunch was the "Simon Says" contest in the mall.

North High!

1.

1. The sign says it all — "Vikings are #1." 2. Phe Pilanca, Roni Villar, and Rose Sierra express their feelings after the Varsity football team wins the MBL jamboree. 3. Several members of the J.V. football team do their warm-up exercises before their first pre-season game. 4. While performing a routine during the Region IV finals rally, Jill Raine shows her Viking spirit.

Growing...

1

2

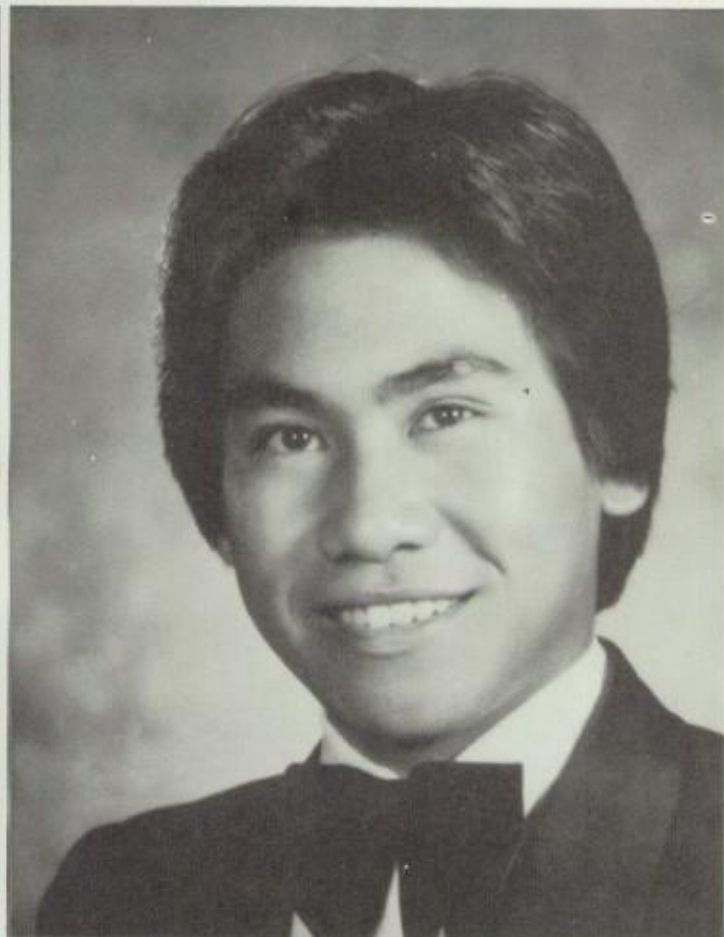

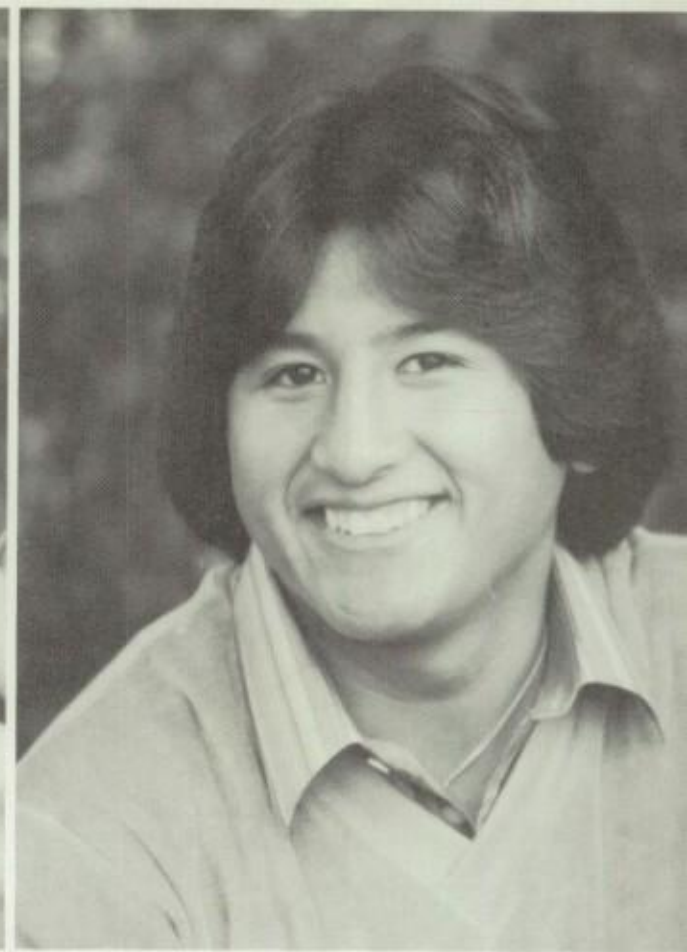

1. Senior cheerleaders Cheryl Ysazaga and Becky Walker are all smiles after the Varsity football team wins a shutout over Seaside. 2. Pam Pilanca shows her excitement after being named 1979 Homecoming queen. 3. Jon Spearman and Terry Gardner have a good time in the KSBW T.V. studio while arranging an advertisement picture. 4. SENIOR CLASS OFFICERS: Secretary—Alice Quiros, President—Ernie Lee, Vice-President—Ron Garcia.

Junior Officers Plan Successful Activities

The Junior Class officers of 1979-80 planned many activities to keep their class busy. They started off with the building of their class float for the Homecoming parade, which won first prize, the first time ever for any junior class at North High. This earned them the right to operate the student store for the major part of the year. They also organized several fund raisers—they sold T-shirts, old-fashioned candy sticks, and Halloween grams. All the proceeds from these fund raisers went toward the financing of the Junior-Senior Prom, their class' main project.

Grams Raise School Spirit

One of the most popular items sold at school are the various greeting-grams. They are usually sold in conjunction with holidays, but are frequently distributed just to raise spirit. Some of the different kinds of grams

are the Halloween, Christmas, Thanksgiving, Valentine's Day, and Good Luck football grams. The sales key on the fact that people love to give and to receive presents.

Juniors Manage Student Store for the First Time

As a result of winning the Homecoming parade float competition, the first time ever for a junior class, the Class of '81 earned the right to operate the student store for the majority of the year. The student store sold the

usual candy, gum, soda, and potato chips, but added some new merchandise, such as North High T-shirts. All proceeds from the student store went toward the 1980 Junior-Senior Prom.

Keywanettes Hold Unique Initiation

Every year, the Keywanettes club has a unique and different manner for initiating the club's new inductees, and this year was no exception. All of the girls vying for membership in the club had to dress up in a crazy outfit, such as a jersey, boxer shorts, red leotards, and unmatched socks and shoes. Seventeen girls were chosen

as new members, and these girls had to put their hair up in a shower cap and sing the club's theme song in the middle of the gym in front of the entire student body. The girls all felt it was worth it to be able to be a member of the club.

Junior Class Wins Float Competition

The 1979 Homecoming parade float competition was highlighted by the announcement of the winners of the contest, the Class of '81. It was the first time ever a junior class had won the competition, with the perennial winners being the seniors. The Junior float's key point

was that it held extremely close to the theme of the parade—"Take a Liking to a Viking." The float was of Hagar the Horrible, and clearly stated, "If I Weren't a Viking, I'd Be Sad!" That seems to be the general opinion around North High.

Junk Food Controversy Affects North High

Potatoe chips, doughnuts, Pepsi, candy — these are just a few of the most common "junk food" items seen during a typical lunch at North High. Several articles in the school newspaper and talk among groups of people at school brought up the matter as to whether or not the Board of Education should ban junk food from the high school campuses. After much discussion and research, the idea was dropped, mainly because the Board thought that if the school didn't sell what the kids wanted, they would go somewhere else to get it.

CLASSES FEUD— Sophs, Juniors Tie In Heated Contest

To break the mid-January blahs, the Sophomore Class sponsored a feud among the four classes. The contest was held at lunch. The audience, who paid a small admission fee to view North High's version of the famed TV Family Feud, saw a closely-contested game. Dan Witmer, ASB president, acted as master of ceremonies; the contestants came from each class. Preliminary competitions were decisively won by the Sophomore and Junior Classes. No final competition was held.

Sophomore Officers Lead Spirited Class

The 1979-80 Sophomore Class officers had the distinct privilege of leading the most spirited sophomore class ever. Their class was very enthusiastic when it came to spirit competitions, as they won more of them than all the other classes put together. They encouraged spirit in every way they could — from putting up posters around school to selling Class of '82 T-shirts. The Soph officers organized many fund raisers. They held a drawing for a giant stuffed bear, sold '82 jerseys, had flower and candy sales, and made a float for the Homecoming parade. They also sponsored an Orange Pass during the Homecoming Activities Week. All the proceeds from the fund raisers went toward the financing of the Twirp Dance, the Sophomore class' biggest project, which turned out to be one of the most popular dances of the year.

Sophomores' Overpowering Spirit Traditional

Sophomores have traditionally had the best spirit of the four classes at North High. This year was no exception, with the sophs winning more spirit competitions than the other three classes put together. Why? Freshmen haven't

quite caught on to the competitions yet; juniors usually have cars, and most of the time they go off campus; and seniors are the "bosses" of the campus, and they think it below them to get excited at rallies.

Sophs Raffle Off Stuffed Bear

One of the main fund raisers that the Sophomore Class held this year was a raffling off of a giant five foot stuffed bear in November. Ticket sales went on for two weeks, with well over \$150 made in sales. The winning ticket, held by Darrin Encallado, was drawn by Mr. Steinbach at the spirit rally for the North High-Salinas High Region IV football finals. When asked why the soph officers decided to have a raffle of this kind, Sophomore Class president Lorrie Clark stated, "We thought that it would be a lot of fun and a good way to raise money for our class."

Darrin Encallado gladly picks up his prize after his ticket number is called.

Sophomore Makes Varsity Team

Most of the time, a varsity team is composed of mainly juniors and seniors, but every once in a while a sophomore makes Varsity. This is the case of Jackie Sison, a sophomore who started on the Varsity volleyball team this year. Last year, Jackie was voted the Most Valuable Player on the Junior Varsity volleyball team, and this year moved up to Varsity. The Class of '82 would like to congratulate Jackie on her outstanding achievement, and wishes her the best of luck with volleyball in the future. Who knows? Some day she may even lead a North High volleyball team to CCS!

Jackie Sison shows her playing ability on this spike during a match against Alisal.

Gold Causes Rise in Ring Prices

What is a sophomore's most valued treasure? The probable answer to this is his or her class ring, as it is the custom for the majority of the Sophomore Class to purchase their ring. Prices soared this year, due to the incredible rise in the price of gold. The average cost of a

girl's 10 karat ring was approximately \$75 to \$95, and \$130 to \$145 was the going rate for a boy's ring. Some of the options available on a ring were choice of stone, special effects on the stones, and different side panels. Lustrium rings were also available.

Joan Goetz admires Christy Porter's new class ring.

Door Decorating Contest Dwindles in Popularity

The amount of participation in this year's Christmas Door Decorating Contest was not high as in previous years, though several homeroom classes did participate. The winners of the contest were Ms. Spann's Art 3-8 class and Mr. Hernandez' Spanish class. Both were given Christmas parties during their homeroom period, and all food and refreshments were provided by the Commission class.

The Art 3-8 class proudly displays its first place winning door decorations.

Dedicated Freshman Officers Organize Numerous Activities

The 1979-80 Freshman Class officers had many goals, but the one thing they strived for the most was trying to make the Freshmen feel at home around North High. They did this in several ways. They organized many fund raisers, such as button and candy cane sales. They decorated a Christmas tree for the student body, which was displayed in the main office. Their class float, which was entered in the Homecoming parade competition, was the best one made by a freshman class in the last five years. They also were in charge of the Spring Safari, a jungle themed dance for the entire student body.

Frosh Tree Lifts Christmas Spirit

As a sign of the Viking and Christmas spirit of the Class of '83, the Freshman Class officers decided to get decorations donated from around town and decorate and display a Christmas tree in the main office. Their effort was helped tremendously by several local merchants — Monte Mart donated the tree, Alpha Beta and Bonanza 88 donated ornament bulbs, and Longs donated lights, ornament bulbs, tree top ornament, garland, and cotton snow. The tree was well accepted, and seemed to signify the true Christmas spirit of North High.

Bubble Blowing Contest Draws Many Participants

Two weeks before Christmas vacation, the ASB organized a bubble gum blowing contest at lunch in the mall. Approximately 15-20 people entered the competition, and the spectators enjoyed it as much as the participants. Although many big bubbles were blown, the winner was Jill McWilliams, whose winning bubble measured eleven inches. Bubble Yum was the brand of gum used, and each contestant was allowed two pieces. The first place prize was — you guessed it — a box of Bubble Yum.

A contestant tries to win the competition with this bubble while a friend looks on.

Participation High In ASB Animal Contest

As a special event on Valentine's Day, the ASB sponsored a stuffed animal contest at lunch. Participation was extremely large, as many people were seen in halls and classes harboring a cherished furry friend. Among those seen were numerous dogs, rabbits, elephants, and the ever-present teddy bear. Even such characters as a unicorn and a pink panther were sighted. Winner of the contest was Christine Amstein and her life-size pink panther. Julie Hawthorne and her Alaskan husky were awarded second place. The prizes were heart boxes of candy to fit with Valentine's Day.

Kim McCuiston, Christine Amstein, and Lorrie Clark display the first place animal and its prize.

Frosh Raffle Enormous Candy Canes

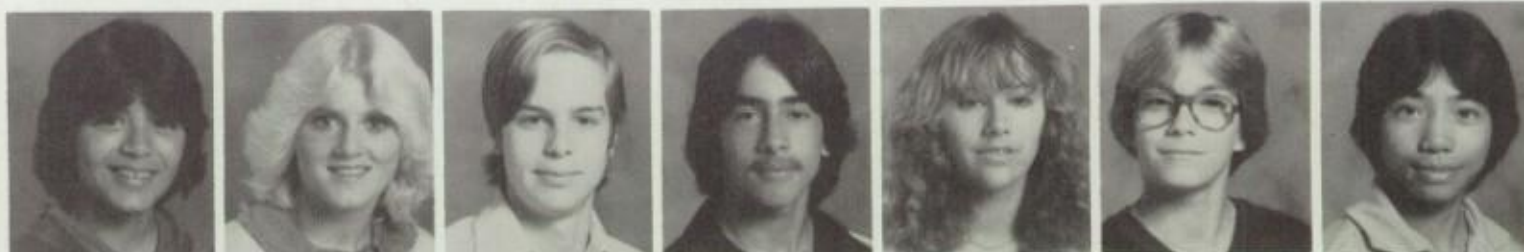

As their last fund raiser for the year of 1979, the Freshman Class officers decided to raffle off four giant candy canes. They sold tickets for two weeks, taking in more than seventy-five dollars. The winners' names were

drawn by Viv Carbonel, the class secretary, on December 20. The recipients of the candy canes were Andre Wells, Cindy Weigelt, Dr. Young, and Mr. Vix.

Candy cane winner Andre Wells accepts his prize from Frosh Vice-President Contessa Seals.

'Do It Yourself' Buttons Unite Freshman Class

Early in October, the Freshman Class officers decided that a button sale would be a good idea to raise some spirit in their class and a way to unite the Class of '83. Sales were slow at first, but people soon caught on to the "Button Fever," and the rise in their popularity grew tremendously. The most appealing factor of the sale was that the students could design their own buttons, and individuality was greatly stressed. The most common themes of the buttons were "Viking Pride" and graduating class slogans.

Science Courses Increasing In Popularity

Over the past few years, there has been an increasing demand for more science classes to be offered. Biology is an especially popular course. It is very interesting and a wide variety of topics are covered, ranging from genetics and environmental relations to organism study and botany. Microscopes are often used, and microbe study is developed in depth in Biology 3-4, along with ecology and dissecting.

MBL Champ Varsity Gridders

1

As in true Viking tradition, the North Salinas Varsity football team started out strong by winning the 1979 Jamboree with 56 points, to Salinas High's 27 and Alisal's 12. They next played two tough out-of-town opponents, King City and Harbor, and beat both teams with relative ease. The next five games, three of which were league, proved no real threat to the Varsity Norsemen, as they decisively defeated Palma, Kennedy High of Richmond, Alisal, Watsonville, and Seaside. The only real test of the Vikes ability, integrity, and pride was the Salinas High game. Our varsity team scored the first touchdown, and the last, and played a hard fought contest which resulted in a 21-21 tie. The final game of the season proved to be the most exciting, as the Vikings scored the winning touchdown in the last forty seconds of play. Overall, their record was 8-0-1, and 4-0-1 in league, which tied them for first place with Salinas High and made them MBL Co-Champions for 1979.

Strong Defense Leads

1

The 1979 Varsity football team had an outstanding pre-season and league record of 7-0-1, and qualified for post-season play. They first would have to face Soquel, the SCCAL champions. The match-up between these two teams was no contest at all, as North High totally outclassed Soquel by winning the game 34-0. This meant they would have to face Salinas High, their MBL co-champion, in the Region IV finals. This contest would put North Salinas' top rated defense in Region IV against the top ranked offense of Salinas. The first half of the game was very exciting, with the Vikings scoring on the second play of the game. North Salinas played a well executed first half, and had a 25-22 lead at halftime. However, the Cowboys totally dominated the second half, and won the game with a final score of 52-25. The Vikings ended their play with an overall record of 8-1-1, and finished second in Region IV.

The North High J.V.'s started out in championship form by winning their first three games over King City, Harbor, and Palma. All games were won by shutouts. With one non-league contest left, the Vikings faced a good Kennedy High team from Richmond. Unfortunately, the J.V.'s lost the game 0-6 in the last minute of play. League started the following week with the Vikings beating Alisal 43-8 to regain some pride from the Kennedy High game. The next week, the Vikings traveled to Watsonville. On a wet field, the J.V.'s came out victorious, 17-3. With three games left, the Vikings were to play Seaside, Salinas, and Monterey. In the Seaside game, which was the Vikings' Homecoming game, the J.V. Norsemen battled to a tough 0-0 tie. The Vike J.V.'s were really up for the Salinas High game, which has always been a crosstown rivalry. The final score was 16-15, with the Vikings coming out on top. With one game remaining, the Vikings were tied with Seaside for first place. Both had league records of 3-0-1. In the final game, the North High J.V.'s beat a tough Monterey team 14-0 to tie for the M.B.L. title with Seaside. This J.V.'s final record was 7-1-1. It was the third championship in the school's history.

The 1979 North High Frosh-Soph football team started the season out on the right foot with a win against King City. They then played Salinas High and lost a close game to them. They breezed past Palma and Watsonville, beating both of them in shutouts. They then suffered disappointing losses to Alisal, Seaside, and Monterey. Finally, they played Salinas High a second time and fought to a 7-7 tie. Overall, they finished the season with a 3-4-1 record, and were 1-3-1 in league play.

Young Varsity Squad

Despite having only two seniors on the squad, the Varsity Basketball team had a very successful season. Under the guidance of a new coach, Hank Weske, the Vikes put in long, hard hours to make up for inexperience. According to Weske, "We were only hoping to finish third so that we could make the Shaughnessey." The Shaughnessey is the league finals tournament which decides who will go on to represent the MBL in Region IV play. Make the Shaughnessey they did, as they finished the season as league champions.

Entire Junior Varsity Team

1

The North High Junior Varsity Basketball team was an exact duplicate of last year's team — all sophomores, with the exception of one freshman. Their play was relatively undaunted by the lack of older players, and they had a winning season, finishing with a league record of 5—5. Ernie Pascua, first year coach, stated that the entire team were talented players, but named a few standouts as Cliff Alston, Mike Van Schuyver, Bill Kesinger, and Dirk Lohuis.

All-Freshmen Team

The all-freshmen 1979-80 Frosh-Soph Basketball team had a difficult season. Because they were totally freshmen, they lacked the experience and versatility that some of the other teams in the league possessed. They had a pre-season record of 5-9, and a league record of 0-6, finishing with an overall record of 5-15. Coach Fernando Cruz stated that the four players who were consistently on the starting line-up were Pat O'Donnell, Tom Evashenk, Mike Larson, and Alan Alvarez.

Returning Players Lead

1

The North Salinas Girl's Varsity Basketball team had a successful season in 1979-80. They had five girls return from last year, four of which were starters. Six girls who did consistently start were Jana Hawthorne, Debbie Larson, Jill McWilliams, Patty Datan, Becky Walker, and Jackie Sison. The Squad had a league record of 6-6, which gave them third place, and qualified them for the Shaughnessey league finals. Their final overall record was 12-12.

"1980 was a very successful year for the Girl's Junior Varsity Basketball team," stated Ms. Macomber, head coach. Indeed it was, as the Vikes compiled an outstanding 8-4 pre-season record. Five girls who consistently started were Paulette Brooks, Donna Proximo, Mary Kimball, Lori McNett, and Mary Beguhl. 8-4 was also their MBL record, which gave them second place in the final league standings. They finished with a total record of 16-8.

The North Salinas Varsity Swim Team had a tough 1979 season. The majority of the teams they faced were talented and experienced squads; therefore, their meet outcomes were not as well as could be expected. Their three season wins came against Pacific Grove, Seaside, and San Lorenzo Valley. They finished the season with a 3-6 record. The Junior Varsity, however, had a winning season and finished the year as Monterey Bay League champions. Their final league record was 3-1, and they were 4-4 overall.

1979-80 was an enjoyable and rewarding year for the North Salinas Varsity Wrestling team and coaches. They started the season with some disappointments, as some of the people they had heavily counted on did not participate and many wrestlers did not join until after Christmas vacation, due to football. However, once they came together as a team, it was like magic. The old saying, "You win championships with seniors," seems true, but this year's team was the youngest that North High ever put on the mats. They were very close to winning the MBL finals, losing by only five points. In the finals, they won five weight divisions, with Danny Cota, Bill Newton, Brett Susidko, Joe Bryant, and Juan Flores taking first, and took second in three other, as Dennis Spann, Paul Heintz, and Bill Kitamura were runners-up. Of those eight wrestlers, only two were seniors.

The North Salinas Junior Varsity Wrestling team had an excellent team in 1979-80, as they finished the season undefeated. They also were outstanding at the MBL finals, finishing in first place overall. In addition, seven individual wrestlers won weight divisions, with Dan Castaneda, Mark Jones, Rufino Velasquez, Rick Torres, Dustin Farnham, Chris Martinez, and Peter Teves collecting the first place titles. The league winning effort of the Junior Varsity team brought the streak of MBL titles up to 16 consecutive championships.

For the North Salinas Girls Varsity Tennis team, the 1979 season proved to be a very successful one. They had a dedicated and experienced squad, with nine of ten girls returning from last year. Their team was composed of one senior, five juniors, three sophomores, and one freshman. Two singles players, Janna Hawthorne and Pauline Alesna, and a doubles team, Donna Proximo and Liana Guerrero, made it to the semi-finals of the Monterey Bay League finals, and the whole team represented North High well throughout the entire year.

The North Salinas Varsity Volleyball team started off the season with a tough loss to an experienced Harbor High squad. However, they won their next six matches, three of which were league, and dropped only three games in doing so. Their two first league losses came back to back against tough Monterey and Alisal teams. The Vikings then won three straight matches, all of them being shutouts. They played a non-league match against Hollister and were barely edged out. As before, their last league losses came together, as they dropped close matches to Seaside, Monterey, and Alisal. They finished the season with a win over Watsonville, giving them a total record of 10-7, a league record of 7-5, and third place in the MBL. Gayle Kenedy, voted the team's Most Valuable Player, was elected to the All-League first team; and Debbie Larson was voted to the All-League second team.

The North Salinas Junior Varsity Volleyball team started out the season identically to their varsity counterparts by winning six of their first seven matches. They then took a tough loss to Monterey. Their next six matches proved to be no problem, as they won five of them in shutouts and gave up only one game. They took their second loss of the season from the same Monterey team that had defeated them earlier. The Vikes took the last two matches of the season with relative ease, and finished the season with a total record of 14-3, a league record of 10-2, and placed second in the MBL.

Teams Have Outstanding Seasons

1

For the first time in three years, the Varsity Field Hockey team won the MBL championship. They had an overall record of three wins, three ties, and three losses. Five outstanding players were voted to the all-MBL team; Maria Tachibana, Tweedy Espino, Tina Benabides, Grasshopper Rodriguez, and Lilly Cunanan received the honors.

The Junior Varsity team also had an excellent season, as they finished the season with five wins, two ties, and no losses. This fine record gave them first place in the MBL. Outstanding players were Liana Guerrero, Maria Lopez, and Grace Garcia.

ASB and Commission

Officers Direct Student Activities

Involvement was the key goal of the 1979-80 ASB officers and Commissioners.

Getting students involved in student government, through such groups as Senate and Student Court, was the prime objective of the ASB officers. They also sponsored many other events to keep kids active, including Tab-low, a stuffed animal contest, and the first dance.

The Commissioners were responsible for the majority of the lunchtime and after school activities. Some of their projects included all of the Homecoming related activities, sports award shows, all of the dances, and organizations meeting days. They were also in charge of school publicity, student store work, and attending Board of Education meetings.

A small but important group involved in school was the Election Committee. They were responsible for directing and tabulating all school voting and elections.

Staff Restructures Book Techniques

A total restyling of the yearbook was the goal of the Valhalla '80 staff. This was done in several ways — mini-seminars were conducted for the staff, the yearbook company representative gave lectures and slide shows, and the editor-in-chief attended a week long workshop in Santa Barbara during the summer. With only five staff members returning from last year, a complete training of the staff in all yearbook procedures was also given. As a way to increase yearbook enthusiasm and staff unity, the staff purchased specially made t-shirts with a yearbook slogan on them.

Varsity Cheerleaders

Squads Lead Teams To MBL Championships

With their ability to build and maintain spirit in the fans, thus building the players adrenalin, the fall and winter varsity cheerleading squads were able to support both the Varsity football and basketball teams to MBL championships. The squads attended cheerleading camps during the summer to prepare themselves for the long seasons. This was accomplished by learning new cheers and stunts, and learning how to have enough stamina and energy to last the whole season. They held bake sales and other fundraisers during the year to raise money for their uniforms and to pay for other expenses.

1. FALL VARSITY CHEERLEADERS — Jill Raine, Pam Pilanca, Becky Walker, Vickie Miyaoka, Connie Rodgers. 2. WINTER VARSITY CHEERLEADERS — Tammy Clark, Patty Newman, Norma Cleaveland, Ellen Medalle.

Pom-Pons

Double Squads Permit Individuality

As a result of the change from one to two squads, the pom-pon girls were able to make their respective squads as creative and unique as they wished. For example, the fall squad's uniform was mainly white with tennis shoes and metallic pom-poms, while the winter squads outfit was mostly blue with leather saddle shoes and pastel pom-poms. Their modes of performing were also somewhat different. The fall girls did mostly athletic tricks and showy moves, while the winter gals did more dance steps and record skits. They did have one major thing in common though — they both led the fans in rooting for North High!

3. FALL POM-PONS — Cheryl Ysazaga, Cindy Martinez, Elsa DeAnda, Carmen Minard, Susie Henry, Brenda Waddle. 4. WINTER POM-PONS — Diane Gorham, Kris Anderson, Elaine Miskell.

Junior Varsity Cheerleaders

Groups Organize Many Fundraisers

The 1979-80 Junior Varsity Cheerleaders were kept very active this year through a large variety of fundraisers. The fundraisers were needed to pay for the various expenses of the squads. These expenses included such things as uniforms, jackets, photography, and cheerleading camps. Some of the fundraisers included several bake sales, car washes, pin sales, ribbon sales, and a garter sale.

Squads Support Frosh Teams

Giving the freshman football and basketball teams as much support as possible was the main goal of the Frosh-Soph cheerleaders. The fall squad gave their football players an extra special treat after the end of the season by buying the entire team pizza and sodas at a party given by the cheerleaders. A new poster in the halls every two or three days was one of the ways the winter group supported their basketball squad. They also sent their players good luck grams before each game.

Mascots

Mascots Have Wild and Crazy Attitude

"Wild and Crazy" — this was the theme of both the fall and winter mascots. They stated that their main goals were to try and make the fans at the football and basketball games feel comfortable, break the tension of a close game, and to have a good time!

Ski Club

Group Takes Trips Despite Little Snow

Availability of skiable snow proved to be the Ski Club's main problem in 1980. They did, however, manage to take two trips, one on January 24 and the other on February 15. Both excursions were to Boreal, and the club members used advisor Ms. Rosenga's cabin for lodging. Also, in the spring, the club showed a ski film to the student body as a fundraiser.

Club Attends Festival in Oregon

Organization was the key word for the MGM/Ashland club in 1979-80. This was the first year that the club met before January, elected officers, and became a full fledged club. Many fundraisers, such as lollipop sales, rummage sales, and a Treasure Hunt, were held to raise money for their annual trip to the Shakespeare festival in Ashland, Oregon. The group went on the excursion April 17-20, and saw AS YOU LIKE IT and CORIOLANUS, both by Shakespeare, among other plays.

Track Interest

Club Holds Many Activities

The Track Interest Club sponsored many activities in 1979-80. Their first endeavor was a blow-pop sale, in which they made more money than ever before. They also sponsored Hush Day, a popular activity in which silence is golden. As their final effort to raise money for the track team, they held the annual Jog-a-thon in the spring.

Rifle Club

Club Stresses Safety and Marksmanship

The prime objective of the Rifle Club is to teach its members firearms safety and marksmanship. The main reason for the club, according to advisor Mr. Hershberger, is to give members experience for competition after high school, such as in college and possibly even in the Olympics.

The Club is a member of the National Rifle Association, and annually awards a scholarship to an individual, whether they are in the club or not, on the basis of their shooting merits and marksmanship. The club participated in the state competition this year.

Viking Saga

Staff Decreases Size, Increases Distribution

In an effort to change its format, the 1979-80 Viking Saga staff decided to reduce the page size of the newspaper, opting for more pages instead. They increased the number of articles per edition, and they increased their distribution by two hundred papers. They also added a graphics department to their staff. Each edition had a pattern of colored lines surrounding the cover headlines and pictures. This was also a step in changing the Saga's look.

Tuba Interest Club

Unique Club Forms

As the only new club to form during 1979-80, the Tuba Interest club decided to try to get as many people interested in tubas and other types of music as possible. They practiced many times at lunch and before school and put on one show during the fall. When asked why he decided to start the club, President Scott Freeman said, "There are a lot of people interested in music and not enough clubs and activities going on for them."

Auxiliary Groups

Groups Successful In Competitions

This was a year of competition for the various Viking Band auxiliary groups. The Showgirls participated in many parades and took several first and second places, including a second in the state competition in San Francisco. The Color Guard hosted the annual North Salinas Color Guard Show, competing for the first time. A first place at a prestigious state meet was one of the honors earned by the Drum Corps, which is among the top percussion groups in the state.

Returning Players and Talented

1.

According to Coach Blair Milner at the beginning of the season, "We should have a very promising season in 1980." This year did prove to be a successful one for the Varsity baseball team. The strength of their squad came from their six returning players from last year plus the addition of several talented recruits from the 1979 Junior Varsity team.

2.

Richard Vargas completes his windup as he pitches to an Aptos batter.

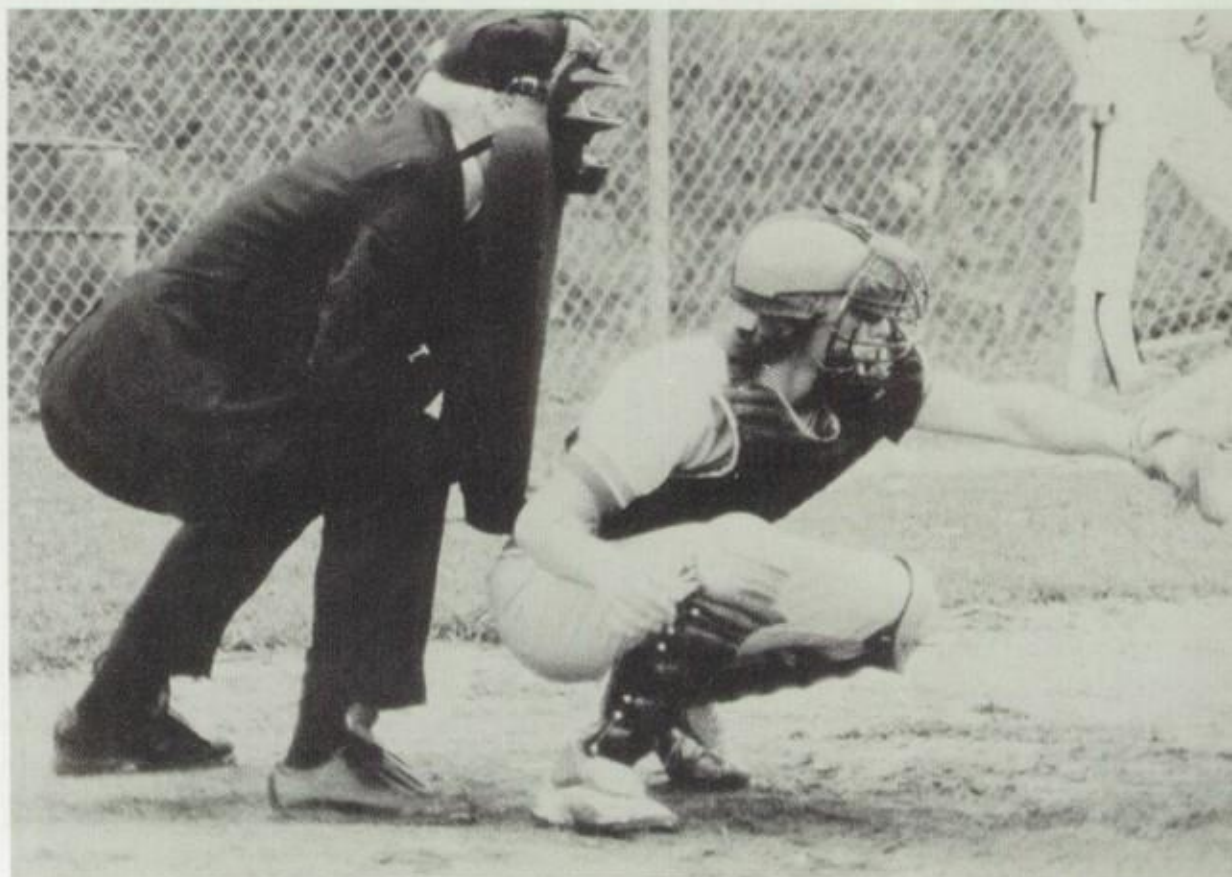

3.

Experience and Coaching Lead

1.

The depth and talent of the Junior Varsity baseball team was especially strong in the all-freshman MBL runner-up frosh-soph team last year. The team this year was composed mainly of sophomores, although there was a junior on the squad. According to Coach Joe Beevers, "We had a bunch of talented athletes, and they work together well on the field; they work as a team."

2.

4.

Balanced Team Does Well

1. For the first time in several years, there was a fairly equal mixture of freshman and sophomores on the Frosh-Soph baseball team. Thirteen freshman and seven sophomores composed the 1980 squad. They had a very successful season, as they finished in the top two teams in the MBL.

1. FROSH-SOPH BASEBALL — Row 1: Ricky Goldman, Greg Fernandez, Tom Wolfe, Chris SantaAna, Colin Teves, Buddy Crus. Row 2: Mike Naval, Pat O'Donnell, Tom Evashenk, James Brownfield, Adam Ouza, Manny Martinez, Gino Rhyans. 4.

Both Returning and First

1.

The 1980 season for the Varsity softball team was a winning one, as they finished in the top three teams in the MBL. With only four Varsity players returning from last year, they relied heavily on several talented recruits from the Junior Varsity squad. The Junior Varsity team's strength came from returning players, as eight girls were on the team from last year. They also had many talented first year players, as well as first year coach, Chuck Noroian.

4.

Exceptional Runners Bring

1.

Although there were outstanding jumpers, throwers, and tossers on the Varsity track team in 1980, the mainstay of the team come from its runners. All types of running — sprints, long distance, and relay — were well represented on the North Salinas team this year. A few of the standouts included Manuel Aldape, Alan Green, Anthony Toney, Royce Clark, Joe Hicks, Randy Nygaard, and Dante Encallado.

Young, Enthusiastic Team

1.

With only two seniors on the entire team, the girls' track team was a young one, but they were also a talented squad. Many of their runners and other athletes were among the top in the region. The team was also enthusiastic. Their cheering and screaming at meets could be heard for miles around.

Young, Talented Team Keys

1.

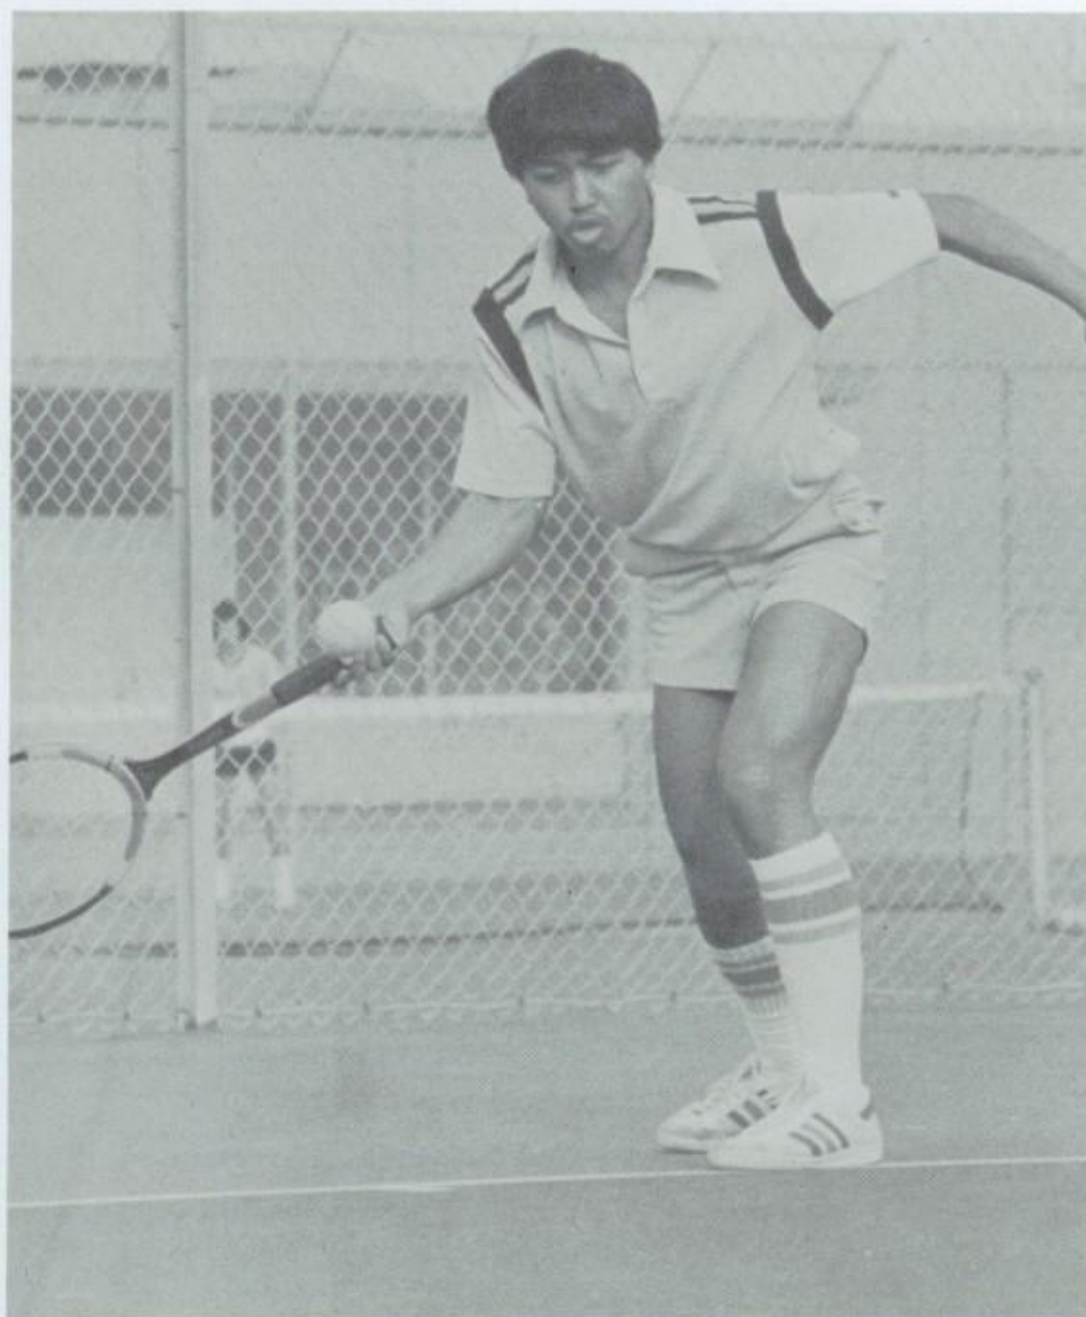

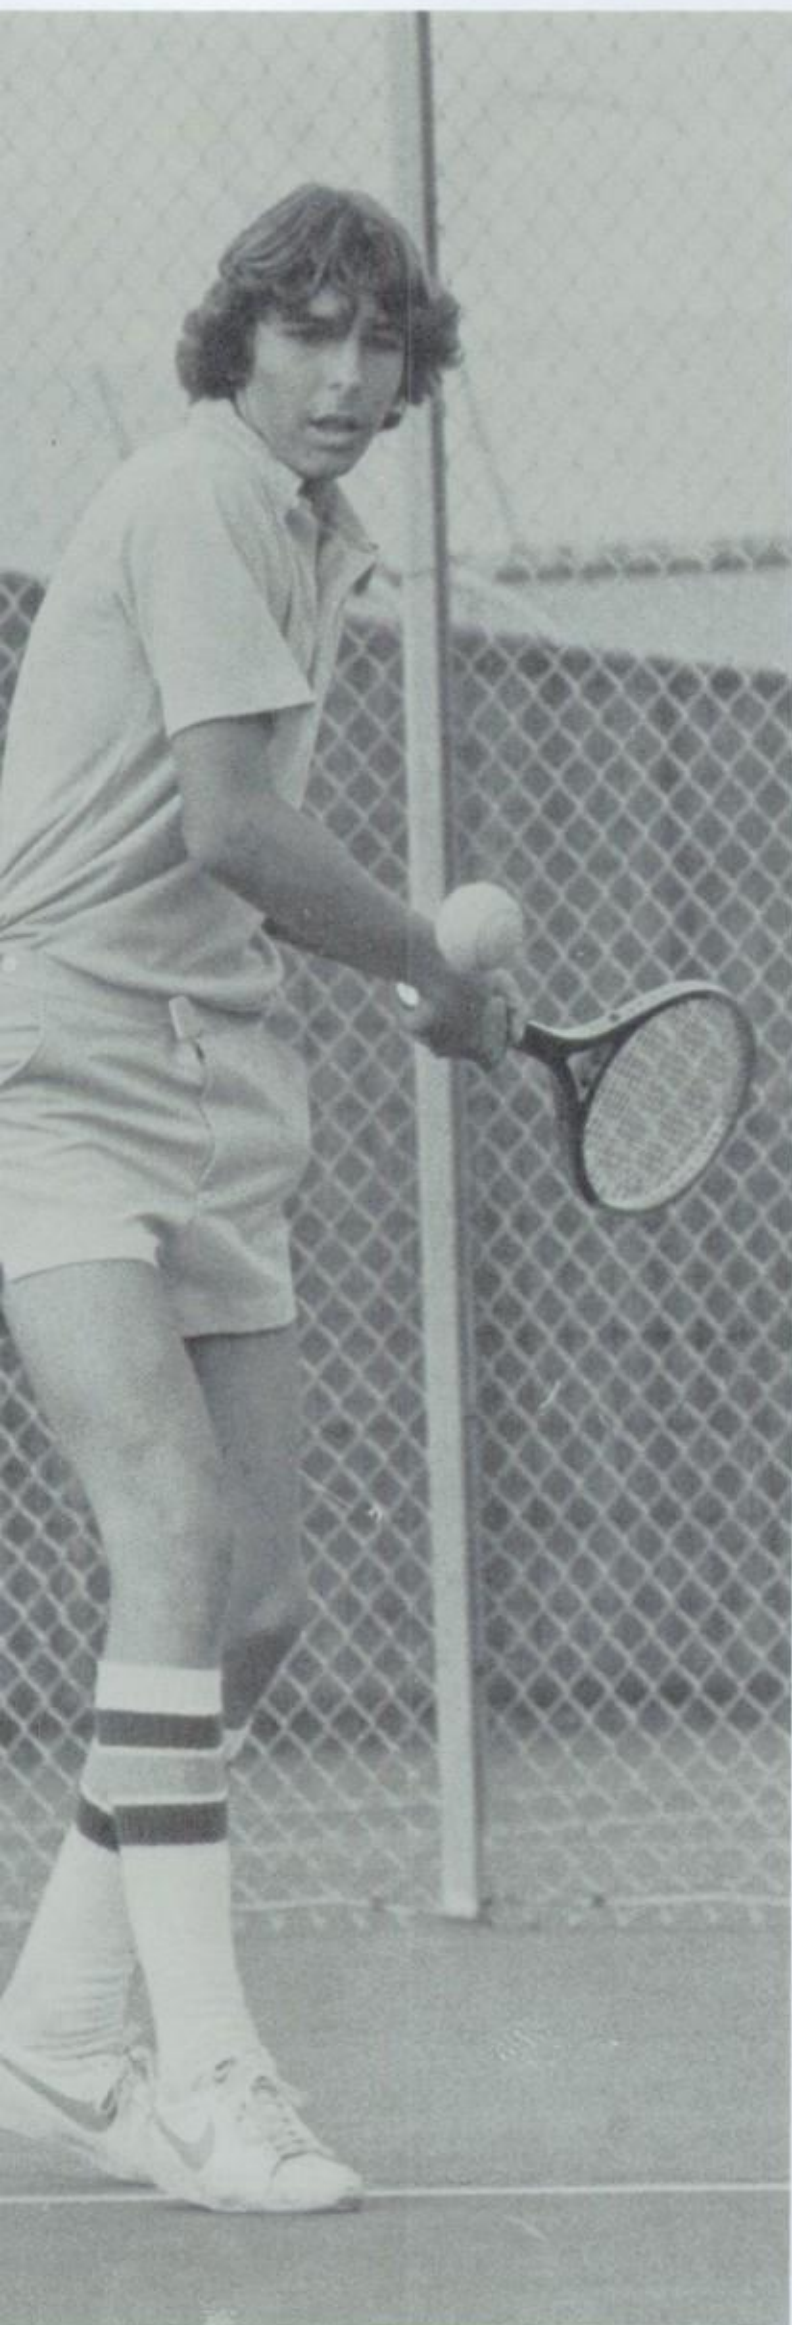

"It's the best team, depthwise, that North High has had in a long time." These words by Coach Bob Steinbach seemed to sum up the 1980 Varsity returning players, as seven of nine squad members returned from last year. They were also a young team, as five sophomores, three juniors, and one senior composed their squad.

Participation in Varsity

1.

The 1980 North Salinas Varsity swim team had the fewest number of members it has had over the past few years. Quality, not quantity, is what counts though, and North High had several quality swimmers. Among these talented athletes were Rick Avila, Jon Brubaker, and Paul Busk. The Junior Varsity team was in complete contrast. They had the largest number of participants that they have had over the past five years, and though they didn't have any stand out swimmers, they had a well balanced, overall strong team.

Teams Finish High in

1

Both the Varsity and Junior Varsity Cross Country teams had successful seasons in 1979. The Varsity team finished the league in second place, and the Junior Varsity team wound up the season as MBL champions. Many runners also finished high in the standings in the MBL finals. Two runners, Manuel Aldape and Rosie Swiekatowski, qualified for CCS competition by turning excellent performances in the league finals.

Two Make All-League Team

1.

The 1980 season was a successful one for the Varsity soccer team, as they finished a respectable third place in league play. This was the highest final standings for a North High soccer team in several years. They also were honored as being only one of two teams in the MBL to land two players on the all-league team. Receiving the honors were Sergio Esparza and Manuel Duron.

Team Accomplishes First

3.

Although the size of the squad decreased, a first was accomplished on the 1980 golf team. For the first time, a girl — Elaine Miskell, was on the team. "I just like to play golf, and I'm glad that the guys accept me as just another member on the team," was Elaine's reaction to being the first female member on the squad. She was joined by number one man Scott Stacey; Ken Craycraft and Jeff Meier completed the squad.

Homecoming Excitement Builds

3

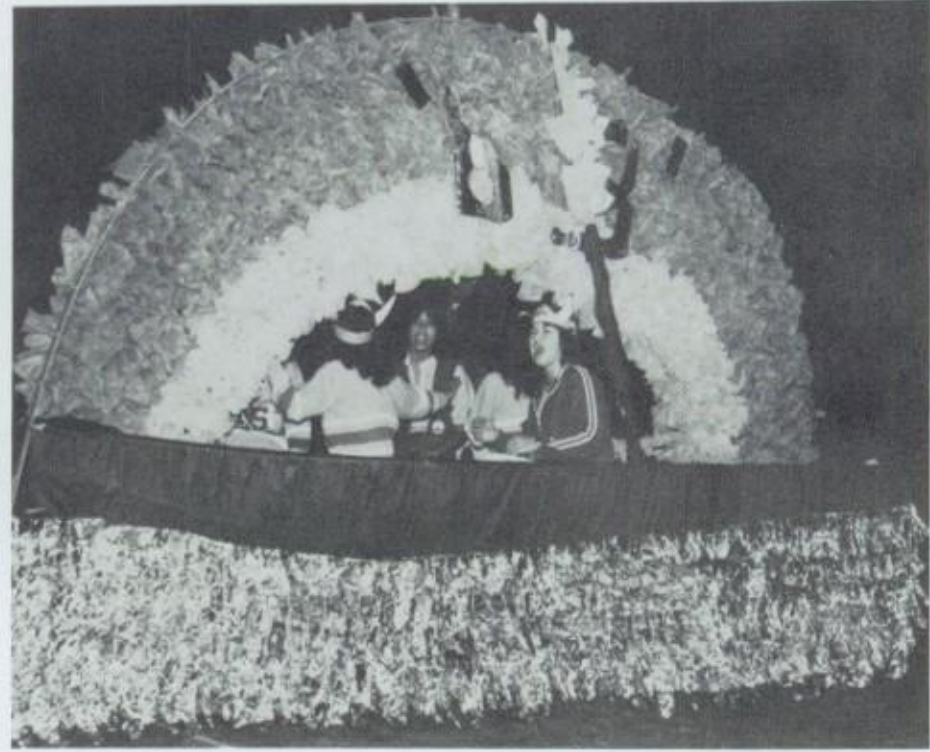

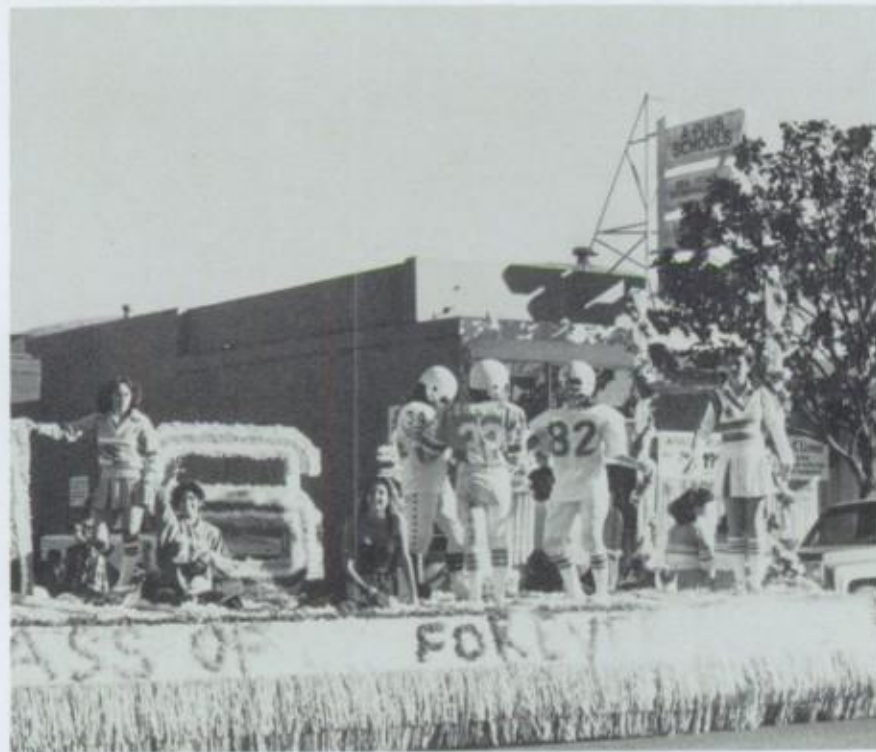

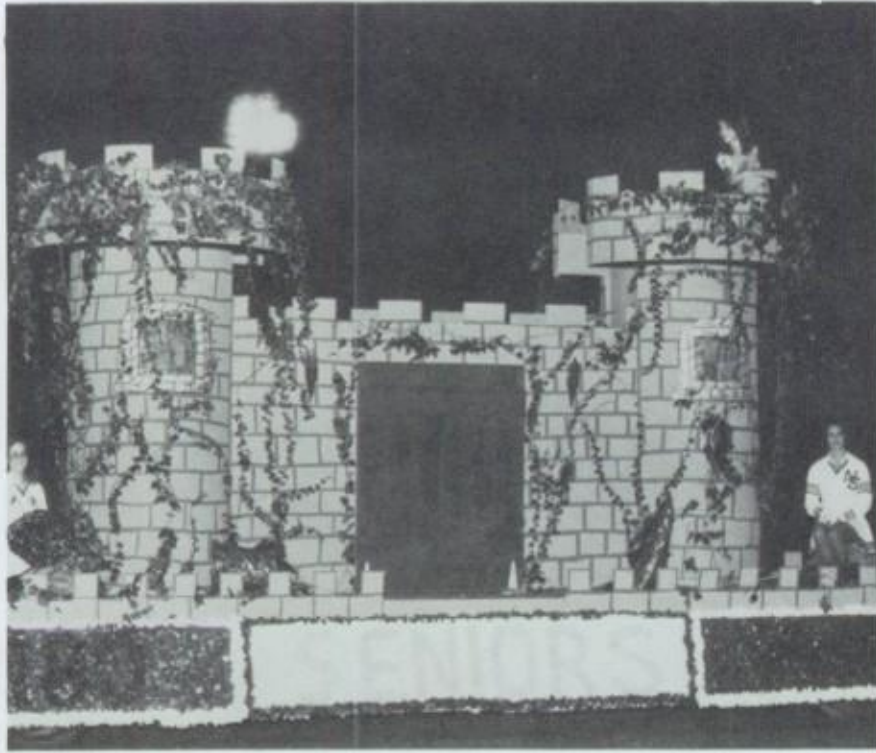

The 1979 Homecoming Week was bigger and better than ever. Excitement started to build early in the week as signs and bulletins were distributed around school. The rally really boosted spirit, with the juniors winning the class competition. Next, the voting for the homecoming candidates was held, and one of the largest voter turnouts ever came to cast their ballots. The Homecoming game itself was the major event of the week, which was highlighted by the crowning of Pam Pilanca as Queen. Finally, the dance was held, and the crowning of Daro Encallado as King proved to be the high point of the evening.

The wild and crazy juniors were winners of the rally class competition. 4. Homecoming Queen Pam Pilanca poses for her formal picture. 5. The Senior Class float displays medieval Viking heritage. 6. Hagar the Horrible was the theme of the Junior Class float, the winner of the float competition. 7. As the sign says, "The Class of '82 Forever" was the driving force behind the Sophomore Class float. 8. The Freshmen Class float used a rainbow as its central prop. 9. The Showgirls' entry, the first float ever built by an organization other than a class, also took first place.

Maritza Shares AFS Experience

It is difficult to put on paper what the AFS experience means to an exchange student. The first impression I received upon arriving in this country was one of cordiality and friendliness of the people. This country is beautiful in itself and has enormous natural potential. My school in Costa Rica is similar to North Salinas, but the methods of teaching are very different. My American family is the Ogborn family, and I wish to thank Mr. and Mrs. Ogborn for putting up with me. Thanks to all the teachers and staff of North High for all the help they have given me. This has been the greatest experience of my life.

The 1980 Basketball Homecoming Week started off with the announcement of the candidates for Queen and King. The girls named eligible for the Queen's crown were Chris Gardepie, Kathy Glenn, Ellen Medalle, Carmen Minard, Becky Walker, and Cheryl Ysazaga; Doug Ackerman, Bernard Campbell, Alan Green, Steve Larson, Ernie Lee, and Greg Perez were named as King candidates. The assembly held on Wednesday introduced the candidates to the student body, to prepare them for the voting on Thursday. During halftime of the Homecoming game on Friday, Carmen Minard was named the Queen, with Ellen Medalle as first runner-up. The Vikings went on to win the game with a score of 63-52 over the Monterey Dore. On Saturday night the dance was held, with the high point of the evening being the announcement of Steve Larson as King.

Memorable Christmas Ball

One word can sum up the mood of the 1980 Christmas — memorable. Aside from the fact that the attendance at the Ball was down from previous years, everything went as planned. Destiny, the band chosen by the Senior Class, played a mixture of disco and rock music, with several slow numbers mixed in. Complimentary sparkling cider and champagne glasses were provided by the seniors, along with egg nog, punch, and cookies. The decorations took many hours to prepare, and everyone agreed that the final outcome was worth all the effort put into it. It was a warm and fitting farewell to the 1970's.

On February 9, the announcement of the King and Queen of Hearts for 1980 was the culmination of three long weeks of hard work. Three couples sponsored by three organizations — Rhonda Nelson and Greg Dunn, FFA; Sheryl Vasquez and Reuben Rios, Color Guard; Terri Gonderman and Tom Harcharik, Showgirls — sold raffle tickets to people at school and in the community, with the group selling the most tickets winning. As tension mounted, Terri and Tom were named as second runners-up, and Sheryl and Reuben named first runners-up. Rhonda and Greg were then announced as King and Queen of Hearts. The dance, sponsored by FFA, was an overall success, with the music being provided by Mongoose.

in 1980!

The 1979-80 school year was an eventful one, both in our school and in the world. Many memories will come from those events, and most of them can be stated with a word or two. Which of these bring memories to you?

Homecoming, Pam, Carmen, Daro, Steve, football games, Toney, Teresa, Johnston, Region IV, Olympics, boycott, Afghanistan, U.S.S.R., Lake Placid, rallies, weekends, graffiti, Christmas '79, Christmas Ball, Ivory Tower, Who concert, Young retires, class rings, Powerplay, basketball games, Maker, Jarvis 2, double cheerleading squads, wrestling, Cota, inflation, gas prices, gold, silver, showgirls, Iran, hostages, Khomeini, Shah, "10", Bo Derek, Star Trek, senior poll, Junior Miss, cap and gowns, prom, Twirp dance, graduation, leap year, new decade. These are just a few of the events that made this year unique. Just as in an expensive car or an old bottle of wine, the vintage year is when something is at its best — and 1980 was vintage North Salinas High. "It was a very good year."

This yearbook is the end product of a lot of hard work.

Pictures — the main component of a yearbook. What would one be without them? I would like to thank several of Salinas' professional photographers — Cook's, for taking faculty pictures, the picture on this page, and their willingness to help us whenever we needed it; Ed Avila, for his help with organizations; The Emporium, for taking football homecoming and cheerleading pictures; Dolly and Bob's for help with the band photos; and Dori's, for their assistance with basketball homecoming shots.

I would also like to thank several people for their professional help — Mark Dossey, our company representative; Linda Erickson, our customer service advisor; and Mr. Clyde Farnsworth, for all his help.

Thanks also goes to the administration of North High for complying with the taking of faculty and organization pictures, Mrs. Leona

Mathisen, for the tremendous amount of work that she did for us, and Dr. Young, for not censoring our second t-shirt slogan.

I would especially like to give a big thanks to my staff — Jose and Hector, for all the great pictures and hard work; Felicia, for being willing to do whatever we asked her to do; Lawanda, for her nine typing fingers; and all the people who worked hard with little knowledge, but lots of heart. A special thanks also goes to all the people who gave me support and strength — I don't think I could have made it without them.

The theme of this yearbook was "We Are . . ."; I hope that it has made an impression to the Salinas community and the world that we are really worth looking at — "We are Alive!"
